

## Single Row Deep Groove Ball Bearings

### 6000 Series

| Bearing Number | Dimensions (mm) |     |       |
|----------------|-----------------|-----|-------|
|                | Bore            | OD  | Width |
| 6000           | 10              | 26  | 8     |
| 6001           | 12              | 28  | 8     |
| 6002           | 15              | 32  | 9     |
| 6003           | 17              | 35  | 10    |
| 6004           | 20              | 42  | 12    |
| 6005           | 25              | 47  | 12    |
| 6006           | 30              | 55  | 13    |
| 6007           | 35              | 62  | 14    |
| 6008           | 40              | 68  | 15    |
| 6009           | 45              | 75  | 16    |
| 6010           | 50              | 80  | 16    |
| 6011           | 55              | 90  | 18    |
| 6012           | 60              | 95  | 18    |
| 6013           | 65              | 100 | 18    |
| 6014           | 70              | 110 | 20    |
| 6015           | 75              | 115 | 20    |
| 6016           | 80              | 125 | 22    |
| 6017           | 85              | 130 | 22    |

| Bearing Number | Dimensions (mm) |     |       |
|----------------|-----------------|-----|-------|
|                | Bore            | OD  | Width |
| 6018           | 90              | 140 | 24    |
| 6019           | 95              | 145 | 24    |
| 6020           | 100             | 150 | 24    |
| 6021           | 105             | 160 | 26    |
| 6022           | 110             | 170 | 28    |
| 6024           | 120             | 180 | 28    |
| 6026           | 130             | 200 | 33    |
| 6028           | 140             | 210 | 33    |
| 6030           | 150             | 225 | 35    |
| 6032           | 160             | 240 | 38    |
| 6034           | 170             | 260 | 42    |
| 6036           | 180             | 280 | 46    |
| 6038           | 190             | 290 | 46    |
| 6040           | 200             | 310 | 51    |
